Foreword	1
Introduction	5
<i>Care Partner</i>	6
The eight central needs of dementia care partners	7
How to use this workbook	9
Dementia care-partner support groups	9
<i>The Benefits of Journaling</i>	11
Self-study	12
An unmet, urgent need	12
Lesson One: Telling Your Story from the Beginning	15
Story – I Want to Go Home	17
Mindfulness Moment	20
A shared storytelling experience	22
Life before Alzheimer’s	22
Early symptoms and diagnosis	23
Progression of symptoms	25
<i>An Unanswerable Question</i>	26
<i>Dementia and the Love Languages</i>	27
The end of the journey	30
<i>Pretty Mama</i>	31
A final reflection and looking ahead	32
<i>If You’re Feeling Overwhelmed</i>	33
Lesson Two: Basics of Alzheimer’s Disease and Other Dementias	35
<i>Understanding Our Emotions</i>	37
Mindfulness Moment	39
Understanding the basics of Alzheimer’s disease and other dementias	40
Story – When Answers Bring More Questions	40
What is dementia?	43
How is dementia diagnosed?	44
What are the risk factors for developing dementia?	47
What is healthy cognitive aging?	49
What is mild cognitive impairment?	51
What are the different types of dementia?	51
<i>All Tangled Up</i>	52
Alzheimer’s disease	52
Vascular dementia	55
Frontotemporal dementia	56
Lewy body dementia	58
A final reflection and looking ahead	60
Lesson Three: Brain Structure and Function, Activities of Daily Living, and Dementia Stages	63
Story – What Time is Dinner?	63
Mindfulness Moment	67
The brain lobes and how they function	68
<i>A Costly Scam</i>	69
<i>The Rhinestone Cowboy</i>	71
<i>Characterizing Emotions</i>	72
<i>The Fallout from a Fall</i>	74
<i>End-of-Life Issues</i>	76
The cognitive and related functions	76
The five cognitive functions	76
Related brain functions	78
Cognitive function testing	79
<i>What’s the Score?</i>	81
Activities of daily living	82
Instrumental ADLs	82
Basic ADLs	83
Stages of dementia	84
Mild cognitive impairment	84
Early-stage (mild) dementia	85
Middle-stage (moderate) dementia	86
Late-stage (severe) dementia	87
Medications to treat MCI and dementia	89
Memory-enhancing drugs	90
Drugs for prevention/treatment	91
<i>Brain-Healthy Lifestyle Modifications</i>	92
Medications for mood and behavioral challenges	94
A final reflection and looking ahead	95
Lesson Four: Adapting to Changing Relationships	97
Attachment theory	98
<i>The Downside of Too Much Dopamine</i>	99
Mindfulness Moment	101
Behavioral changes and relationship challenges in early- and middle-stage dementia	102
Apathy	103
Lack of insight, impaired judgment, and denial	104
Story – On the Road to Danger	104
Changes in emotional expression	105
Story – He Doesn’t Care Anymore	106
Mood changes	107
<i>Sobering Statistics on Depression and Anxiety</i>	108
Story – An Obsessed Sister	109
Repetitive and persistent behaviors	111
Lost identity	112
Story – What’s She Doing With That Other Man?	112
Delusional thinking	114
<i>Delusions and Hallucinations</i>	114
Behavioral disinhibition	115
Adapting to changing relationships	116
Patience	117
Affirm, acknowledge, and redirect	117
<i>Fiblets</i>	118
Keep it short, simple, and safe	119
Relationship building with the five love languages	120
<i>Figuring Out Your Loved One’s Primary Love Language</i>	122
<i>40 Ways to Show Someone With Dementia You Love Them</i>	124
Story – Why Should I Visit?	127
Reminiscence approaches	128
A final reflection and looking ahead	130
Lesson Five: Coping with Grief and Loss	131
Story – Missing More Than Class	132
Mindfulness Moment	134
What is care-partner grief?	134
Definitions of grief and mourning	135
<i>A Tearful Good Night</i>	136
What kinds of losses do care partners experience	138
Personal losses	139
<i>Care-Partner Hard Realities</i>	139
Story – Painted Into a Corner	139
Relationship losses	141
<i>A Note on Sexual Intimacy</i>	141
Story – An Abrupt Ending	142
Loss of peace of mind	142
Story – Not on the Same Page	143
Family grief and loss	145
The family impact of dementia	145
Family conflict and conflict resolution	146
Story – A Family United	148
<i>The Sandwich Generation</i>	148
A final reflection and looking ahead	149
Lesson Six: Stress and Self-Care	151
Mindfulness Moment	153
Warning: depression, anxiety, and stress ahead—follow detour	154
Depression	154
Story – Frazzled and Desperate	156
Anxiety	157
Stress	158
<i>Panic Attacks</i>	159
The need for care-partner self-care and wellness	162
<i>Putting Yourself First</i>	163
Physical health	166
Mental health	167
<i>There’s More Than One Way to Relax</i>	168
Social relationships	169
Spiritual health	170
Story – A Helping Hand	171
Assembling a caregiving team	172
Your wellness plan	175
A final reflection and looking ahead	177
Lesson Seven: Getting More Help and Transitioning Care	179
Mindfulness Moment	180
When challenging behaviors arise, start here	181
Challenging behaviors and other common challenges in the person with later-stage dementia	182
Agitation and aggression	182
Story – Out of Control and Dangerous	184
Hallucinations	185
Wandering	186
Story – Wandering the Streets	186
<i>Wander-proofing</i>	187
Sexual behaviors	189
Story – Coming to the Aid of an Aide	189
Resisting or refusing care	191
Story – Gut Punch of a Caregiver	191
Sundowning and day-night reversal	192
Other challenging issues	194
How do you decide when you need more help?	195
<i>An ADL Refresher</i>	196
Options for more help while your loved one still lives at home	197
Assistance that allows you to keep your loved one at home	197
No- or low-cost community care	197
<i>Area Agencies on Aging (AAA)</i>	198
Home-health agencies	198
Adult daycare	199
Respite care	199
Full-time residential care	199
Story – A Memory-Care Dance	201
<i>Helpful Hints for a Family Meeting</i>	202
Independent-living communities	203
Assisted-living facilities	204
Nursing-care facilities	204
Nursing-home	205
Skilled-nursing facilities	206
Rehabilitation facilities	206
<i>Keeping Pace with PACE</i>	207
Hospice care	208
<i>Helpful Hints When Your Loved One is in a Residential-Care Facility</i>	209
A final reflection and looking ahead	211
Lesson Eight: Legal, Financial, and End-of-Life Issues	213
Story – A 104-Degree Crisis Averted	213
Mindfulness Moment	216
Legal issues	217
<i>What is an Elder-Law Attorney?</i>	217
Durable power of attorney	218
Healthcare Power of attorney	219
Guardianship	219
<i>Elder Abuse</i>	220
Story – A Contentious Guardianship Situation	221
Health insurance portability and accountability act	222
Driving	223
<i>Safe or not safe to drive?</i>	224
Financial issues	227
Wills and trusts	227
Cost of long-term care	228
Paying for long-term care	232
End-of-life issues	234
What are the most important end-of-life issues?	236
Whether or not to administer fluids	236
Whether or not to be fed	236
Whether or not to perform CPR or use a respirator	236
Whether or not to treat an infection with antibiotics	237
Whether or not to have surgery for a hip fracture	238
Where to die: home, hospital, or hospice	238
What to do with the body after death	239
Legal documents related to the end-of-life	240
Living will	240
Do not resuscitate	241
Physician’s orders for life-sustaining treatment	241
Saying things at the end of life, and life after dementia	242
A final reflection and looking ahead	243
Lesson Nine: Existential and Spiritual Questions	245
<i>When God Gave Me More Than I Could Handle</i>	247
Story – Opposite Reactions to the Same Diagnosis	249
Mindfulness Moment	250
The search for meaning	251
Why ask why?	251
One philosopher’s view of why and his search for meaning	252
<i>Ways to Find and Create Meaning on the Dementia Journey</i>	253
Story – Tarshira’s Ministry	254
Story – Brad’s Search for Meaning	255
What you give back to the world	256
What you experience in or from the world	257
Your attitude toward the inevitable suffering that happens in this world	258
Reflections back on my own care-partnering journey	259
A final reflection and looking ahead	261
Lesson Ten: Retelling Your Story Starting Today	263
Story – Confessions of a Reluctant Support-Group Participant	264
Mindfulness Moment	266
Looking back: revisiting the eight central needs of dementia care partners	267
Central Need 1	267
Central Need 2	268
Central Need 3	269
Central Need 4	270
Central Need 5	271
Central Need 6	272
Central Need 7	273
Central Need 8	275
Looking forward—what’s ahead on the journey?	276
Eight things I wish I’d known when I was a care partner	276
Parting words	279
Acknowledgments	281
Resources	282
Presentations, Trainings, and Consulting by Dr. Shaw	285
About the Author	287
